

BACKGROUND CHECK SERVICES at MCESC AND MCCTC

The following outlines the Webcheck fingerprinting services available at the Mahoning County Educational Service Center and the Mahoning County Career and Technical Center.

Effective 3/20/2008 3:29 PM

Ohio Law:

Ohio House Bill 190, effective on November 14, 2007, and House Bill 79 before it, create the following requirements for **all Ohio school district employees:**

- *Licensed educators must provide clearance within 365 days of the credential application date on both the Ohio BCI and federal FBI background checks for all new, transitioning and renewal certificates and licenses.*
- *Educators who hold only a Permanent Certificate and/or 8-Year Professional Certificate holders must complete both the BCI and FBI checks prior to September 5, 2008, and every 5 years thereafter. Prints taken after November 14, 2006, count for this purpose.*
- *Educators who hold both License(s) and Certificate(s) determine their background check requirement by the credential they are working under – if they are working under a License, their fingerprinting follows the license renewal cycle – if they are working under a Permanent or Professional Certificate, they follow the September 5, 2008, deadline.*
- *School bus drivers must have both BCI and FBI checks at initial employment and at certificate renewal.*
- *All other school employees who are non-certificated/licensed must gain both BCI and FBI clearances prior to September 5, 2008, , and then every 5 years thereafter.*
- *All job applicants under final consideration for employment must complete both the BCI and FBI print process prior to board action on employment.*

Both the Mahoning County Educational Service Center and the Mahoning County Career and Technical Center offer electronic “web check” fingerprinting service for both the state BCI (Ohio Bureau of Criminal Investigation) and national FBI (Federal Bureau of Investigation) background checks.

This service is primarily to serve the school districts in Mahoning County, Ohio, and both the MCCTC and MCESC prioritize response to those requests first and before any requests from any other agency personnel or school staffs from outside the county.

Fingerprint service at both the MCCTC and MCESC offices are conducted **ONLY by appointment.**
